

2017 Health-Related Legislation Under Consideration by the Missouri General Assembly

Updated 4/27/2017

The 99th Missouri General Assembly convenes its first regular session on January 4, 2017. More than 100 bills under consideration may affect the health of Missourians. To help our partners navigate the state policymaking process, MFH tracks health-related bills and provides updates through the end of the legislative session in May.

An overview of the Missouri legislative process is available in this chart. Each **step** in the process has a number:

- |                                  |                                  |                                             |                                            |
