2019 Health-Related Legislation Under Consideration by the Missouri General Assembly
Updated 2/20/2019

The 100th Missouri General Assembly convenes its first regular session on January 9, 2019. More than 100 bills under consideration may affect the health of Missourians. To help our partners navigate the state policymaking process, Missouri Foundation for Health tracks health-related bills and provides updates through the end of the legislative session in May.

An overview of the Missouri legislative process is available in this chart. Each **step** in the process has a number:

- | | | | |
|----------------------------------|----------------------------------|---|--|
| 1 – Prefiled/Filed | 6 – Perfected First Chamber | 11 – Committee Two Released | 16 – Governor’s Action |
| 2 – Assigned to Committee One | 7 – Third Read First Chamber | 12 – Perfected Second Chamber | 17 – Chamber One Veto Override (if needed) |
| 3 – Committee One Public Hearing | 8 – Assigned to Committee Two | 13 – Third Read Second Chamber | 18 – Chamber Two Veto Override (if needed) |
| 4 – Committee One Voted | 9 – Committee Two Public Hearing | 14 – Conference Committee (if needed) | |
| 5 – Committee One Released * | 10 – Committee Two Voted | 15 – Truly Agreed and Finally Passed (TAFP) | |

*If in the House, the bill may be sent to a second committee for another hearing and vote before heading to the floor for debate.

Additionally, each bill is categorized by health-related topic(s), including: private insurance; safety net (TANF, SNAP, Medicaid/MO HealthNet, EITC, etc.); Behavioral Health (substance use and mental health); children & infants; corrections; health care workforce; health care facilities; prescription drugs; sexual and reproductive health; oral health; prevention & awareness (public health, infrastructure, and healthy and active living); budget & tax; and other (includes legal).
