

MoCAP Monthly Digest

Funding Opportunities and Resources

January 2021

Forecasted Funding Opportunities

Forecasted grants are funding opportunities which are predicted to become available in the near future but have not officially been released by the federal agency. Please review forecasted opportunities to gain an advantage and get a head start in preparing your application. Additionally, please note that timelines for the release of funding opportunities frequently change and the forecasted open date may not be exact. MoCAP may be able to mobilize some services on forecasted opportunities, please email mocap@mffh.org if you are interested in a specific forecasted grant to discuss. New opportunities added this month will be highlighted in [blue](#).

[Link to Additional Information](#)

Title: Community Investment Loan Program

Funder: Primary Care Development Corporation

Award Amount: Amounts and terms vary based on product and applicant

Application Deadline: Jan 27, 2021

Purpose: To offer affordable loan capital and advisory services to meet the needs of community-based health providers to expand and enhance primary care and other health-related services

Eligibility: Federally Qualified Health Centers and other community health centers; Behavioral health institutions including mental health centers and substance use treatment facilities; AIDS Service Organizations; Program of All-Inclusive Care for the Elderly; Safety net hospitals including ambulatory care and outpatient centers

[Link to Additional Information](#)

Title: Building Resilient Infrastructure and Communities Grants

Funder: Department of Homeland Security – Federal Emergency Management Agency

Award Amount: 125 awards; States and territories: \$33,600,000, Tribes: \$20,000,000, National competition: \$446,400,000

Application Deadline: Jan 29, 2021

Purpose: The Building Resilient Infrastructure and Communities (BRIC) program makes federal funds available to states, U.S territories, Indian tribal governments, and local communities for pre-disaster mitigation activities. The guiding principles of the program are to: (1) support state and local governments, tribes, and territories through capability- and capacity-building to enable them to identify mitigation actions and implement projects that reduce risks posed by natural hazards; (2) encourage and enable innovation while allowing flexibility, consistency, and effectiveness; (3) promote partnerships and enable high-impact investments to reduce risk from natural hazards with a focus on critical services and facilities, public infrastructure, public safety, public health, and communities; (4) provide a significant opportunity to reduce future losses and minimize impacts on the Disaster Relief Fund (DRF); and (5) support the adoption and enforcement of building codes, standards, and policies that will protect the health, safety, and general welfare of the public, take into account future conditions

, and have long-lasting impacts on community risk-reduction, including for critical services and facilities and for future disaster costs

Eligibility: Native American tribal governments (Federally recognized); State governments; District of Columbia; U.S. Territories

[Link to Additional Information](#)

Title: Community Health Access and Rural Transformation

Funder: Department of Health & Human Services - Centers for Medicare & Medicaid Services

Award Amount: 15 awards; \$5,000,000 award ceiling

Application Deadline: Feb 16, 2021

Purpose: The Community Health Access and Rural Transformation (CHART) Model is a voluntary payment model designed to meet the unique needs of rural communities. The CHART Model will test whether aligned financial incentives, increased operational flexibility, and robust technical support promote rural health care providers' capacity to implement effective health care delivery system redesign on a broad scale. The Center for Medicare & Medicaid Innovation (CMMI) will evaluate the impact of the CHART Model on Medicare and Medicaid expenditures, access to care, quality of care, and health outcomes for rural residents

Eligibility: Independent school districts; County governments; Nonprofits that do not have a 501(c)(3) status with the IRS, other than institutions of higher education; For profit organizations other than small businesses; City or township governments; Native American tribal governments (Federally recognized); Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education; Private institutions of higher education; Native American tribal organizations (other than Federally recognized tribal governments); Public and State controlled institutions of higher education; Special district governments; Public housing authorities/Indian housing authorities; State governments; Small businesses
