Forecasted Funding Opportunities

Forecasted grants are funding opportunities which are predicted to become available in the near future, but have not officially been released by the federal agency. Please review forecasted opportunities to gain an advantage and get a head start in preparing your application. Additionally, please note that timelines for the release of funding opportunities frequently change and the forecasted open date may not be exact. MoCAP may be able to mobilize some services on forecasted opportunities, please email mocap@mffh.org if you are interested in a specific forecasted grant to discuss. New opportunities added this month will be highlighted in blue.

**Title: Family, Relationship, and Marriage Education Works - Adults (FRAMEWorks)**

**Funder:** Administration for Children and Families  
**Award Amount:** 41 awards; $1,500,000 award ceiling  
**Estimated Application Deadline:** Expected post date is March 23, 2020; estimated due date is May 22, 2020  
**Purpose:** The Department of Health and Human Services (HHS), Administration for Children and Families (ACF), Office of Family Assistance (OFA) announces its plan to solicit applications for the competitive award of grants that support “healthy marriage promotion” activities as authorized under Section 403(a)(2) of the Social Security Act. The Family, Relationships, and Marriage Education Works-Adult (FRAMEWorks) Program will be targeted exclusively to projects designed for adult individuals or adult couples, defined as persons who are age 18 and older. Applicants will be asked to submit proposals that are designed to implement programs that include a broad array of service provision strategies. These include curriculum-based skills development and services designed to support family strengthening activities through one or more of seven activities specified under the authorizing legislation: marriage and relationship education/skills (MRES); pre-marital education; marriage enhancement; divorce reduction activities; marriage mentoring; public advertising campaigns; and activities to reduce the disincentives to marriage. Applicants will be encouraged to also include services to promote employment and job and career advancement. Applicants will be strongly encouraged to submit a proposal to implement one specific program model designed for one specific service population, e.g. adult individuals or adult couples, but not multiple models for multiple populations. ACF is interested in funding a diverse range of projects, from high impact projects, to moderate scope projects, to smaller scope projects. Applicants must provide evidence of organizational capacity to implement their proposed project

Title: Fatherhood - Family-focused, Interconnected, Resilient, and Essential (FIRE)

Funder: Administration for Children and Families
Award Amount: 68 awards; $1,500,000 award ceiling
Estimated Application Deadline: Expected post date is March 23, 2020; estimated due date is May 22, 2020
Purpose: The Department of Health and Human Services (HHS), Administration for Children and Families (ACF), Office of Family Assistance (OFA) announces its plan to solicit applications for the competitive award of grants that support "activities to promote responsible fatherhood" under each of the three broad categories of promoting or sustaining marriage, responsible parenting, and economic stability activities authorized under Section 403(a)(2) of the Social Security Act. The Fatherhood Family-focused, Interconnected, Resilient, and Essential Grants (Fatherhood FIRE) will be targeted exclusively to projects designed for adult fathers, defined as fathers that are age 18 and older. Eligible fathers (or father figures) must have children who are age 24 or younger. Fathers will include those in the general population (or "community fathers"), as well as fathers who are currently incarcerated and are returning, or have returned, to their families and communities following incarceration. Applicants will be strongly encouraged to submit a proposal to implement one specific program model designed for one specific service population – e.g., rural community fathers, reentering fathers, or urban community fathers– but not multiple models for multiple populations. ACF is interested in funding a diverse range of projects, from high impact projects, to moderate scope projects, to smaller scope projects. Applicants must provide evidence of organizational capacity to implement their proposed project.

Title: Relationships, Education, Advancement, and Development for Youth for Life (READY4Life)

Funder: Administration for Children and Families
Award Amount: 27 awards; $1,500,000 award ceiling
Estimated Application Deadline: Expected post date is March 23, 2020; estimated due date is May 22, 2020
Purpose: The Department of Health and Human Services (HHS), Administration for Children and Families (ACF), Office of Family Assistance (OFA) announces its plan to solicit applications for the competitive award of grants that support "healthy marriage promotion" activities, including relationship education, parenting, and job and career advancement activities as authorized under Section 403(a)(2) of the Social Security Act. The Relationships, Education, Advancement, and Development for Youth for Life (READY4Life) grants will be targeted exclusively to youth, for projects designed to support healthy relationships and marriage, including the value of marriage in future family formation and skills-based healthy
relationship and marriage education. Additionally, grants will support activities including parenting (for young fathers and mothers, as applicable), financial management, job and career advancement, and other activities. Projects must be targeted to youth, specified as individuals in high school (grades 9-12), or that are high-school aged or in late adolescence and early adulthood (ages 14 to 24). Applicants must submit proposals designed for youth as specified. Applicants will be strongly encouraged to design programs targeted to one specific program model for one specific service population – e.g., youth in general high school settings, youth aging out of foster care, or youth who are parents— but not multiple models for multiple populations. Grants awarded will support family formation and strengthening activities through one or more of three healthy marriage promotion activities specified under the authorizing legislation: (1) marriage and relationship education/skills (MRES); (2) education in high schools; and (3) public advertising campaigns. ACF is interested in funding a diverse range of projects, from high impact projects, to moderate scope projects, to smaller scope projects. Applicants must provide evidence of organizational capacity to implement their proposed project.

Title: Rural Communities Opioid Response Program – Neonatal Abstinence Syndrome (RCORP-NAS)
Funder: Health Resources and Services Administration
Award Amount: 30 awards, $15M available
Estimated Application Deadline: Expected post date is April 14, 2020; estimated due date is June 14, 2020
Purpose: The Rural Communities Opioid Response Program (RCORP) is an overarching initiative aimed at reducing the morbidity and mortality of substance use disorder (SUD), including opioid use disorder (OUD), in rural areas at the highest risk for SUD. RCORP is a mission critical initiative designed to achieve HRSA’s four goals. The goal of the RCORP-Neonatal Abstinence Syndrome (RCORP- NAS) project is to advance RCORP’s overall goal and reduce rates of Neonatal Abstinence Syndrome (NAS) in rural communities by empowering local consortia to create better addiction prevention, treatment, and recovery services by improving systems of care, family supports, and social determinants of health. RCORP-NAS was created to address specific needs expressed by rural grantees, and was designed by leveraging the expertise and insight of external partners (JBS International, State Offices of Rural Health, etc.), federal agencies (CDC, SAMHSA, IHS, etc.), and Bureaus/Offices within HRSA (MCHB, BPHC, ORO, OPAE, OWH).

Title: Comprehensive Suicide Prevention

Funder: Centers for Disease Control

Award Amount: 10 awards, $1,000,000 award ceiling

Estimated Application Deadline: Expected post date is May 1, 2020; estimated due date is June 29, 2020

Purpose: This Notice of Funding Opportunity (NOFO) supports implementation and evaluation of a comprehensive public health approach to suicide prevention. Such an approach includes strong leadership as the convener of multi-sectoral partnerships; prioritizes data to identify
vulnerable populations and to better characterize risk (e.g., relationship, job/financial, mental health problems) and protective factors (e.g. connectedness, hope, resilience) impacting suicide; leverages current prevention practices and fills gaps by selecting multiple and complementary strategies with the best available evidence using CDC’s Preventing Suicide: A Technical Package of Policy, Programs, and Practices; rigorously evaluates the overall approach and individual activities; feeds data back into the system for quality improvement and sustainability; and effectively communicates results. The purpose of this NOFO is to implement and evaluate this approach to suicide prevention, with attention to vulnerable populations (e.g., veterans, tribal populations, rural communities, LGBTQ, homeless, other) that account for a significant proportion of the suicide burden and have suicide rates greater than the general population in a jurisdiction(s) (e.g., state, city/county, tribe). Key outcomes include a 10% reduction in suicide morbidity and mortality in the jurisdiction(s).

Title: Project AWARE (Advancing Wellness and Resilience in Education) - State Education Agency (SEA) grants (Short Title: AWARE-SEA)
Funder: Substance Abuse and Mental Health Services Administration
Award Amount: 17 awards, $31.5M available
Estimated Application Deadline: Expected post date is February 28, 2020; estimated due date is April 20, 2020 (no update on release date at time of this email)
Purpose: The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Mental Health Services (CMHS) is accepting applications for fiscal year (FY) 2020 Project AWARE (Advancing Wellness and Resilience in Education) - State Education Agency (SEA) grants (Short Title: AWARE-SEA). The purpose of this program is to build or expand the capacity of State Educational Agencies, in partnership with State Mental Health Agencies (SMHAs) overseeing school-aged youth and with three local education agencies (LEAS), to: (1) increase awareness of mental health issues among school-aged youth; (2) provide training for school personnel and other adults who interact with school-aged youth to detect and respond to mental health issues; and (3) connect school-aged youth, who may have behavioral health issues (including serious emotional disturbance [SED] or serious mental illness [SMI]), and their families to needed services. SAMHSA expects that this program will focus on partnerships and collaboration between state and local systems to promote the healthy development of school-aged youth and prevent youth violence.
Eligibility: The State Education Agency (SEA)

Title: Preventing Adverse Childhood Experiences through Essentials for Childhood
Funder: Centers for Disease Control
Award Amount: 5 awards, $525,000 award ceiling
Estimated Application Deadline: Expected post date is May 1, 2020; estimated due date is June 30, 2020

Purpose: The purpose of this funding is to support recipients in measuring, tracking, and preventing adverse childhood experiences (ACEs) in their states. Adverse Childhood Experiences (ACEs) are preventable, potentially traumatic events that occur in childhood (0-17 years) such as experiencing violence, abuse, or neglect; witnessing violence in the home; and having a family member attempt or die by suicide. Also included are aspects of the child's environment that can undermine their sense of safety, stability, and bonding such as growing up in a household with substance misuse, mental health problems, or instability due to parental separation or incarceration of a parent, sibling or other member of the household. Currently, ACEs are difficult to track over time because they do not always come to the attention of agencies that compile publicly available administrative data and because the best surveillance data currently available for ACEs, such as those collected through the Behavioral Risk Factor Surveillance System (BRFSS), are from retrospective surveys with adults. These challenges make it difficult to assess current prevalence, track change over time, target prevention strategies, and measure the success of prevention strategies. In addition, to date, efforts to implement data-driven, comprehensive, evidence-based prevention strategies have been lacking in communities across the U.S. This NOFO will support the implementation of data-driven, comprehensive, evidence-based prevention strategies by building a surveillance infrastructure for the collection, analysis, and application of such ACEs data, so that states can monitor the prevalence of ACEs experiences among youth within their states and then use those data to inform prevention efforts at the state and community level. In tandem, this NOFO also provides resources to support states in implementing primary prevention strategies for preventing ACEs. Therefore, there are two overall required components of this award – a surveillance component and a prevention component. The work of these components, and the infrastructure and expertise exerted to accomplish that work, should be interdependent and should be planned and implemented as part of a dynamic system that reflects the 10 Essential Public Health Services promoted by CDC.

Title: Treatment, Recovery, and Workforce Support Grants

Funder: Substance Abuse and Mental Health Services Administration

Award Amount: Not available

Estimated Application Deadline: Expected post date is February 28, 2020; estimated due date is not available (no update on release date at time of this email)

Purpose: The purpose of this program is to implement evidence-based programs to support individuals in substance use disorder treatment and recovery to live independently and participate in the workforce. To achieve this objective, recipients must coordinate, as applicable, with Indian tribes or tribal organizations, state and local workforce development boards (see definitions), lead state agencies responsible for a workforce investment activity (see definitions), and state agencies responsible for carrying out substance use disorder prevention and treatment programs.
Eligibility: Domestic or private non-profit entities that provide treatment or recovery services for individuals with substance use disorders and partners with one or more local or state stakeholders, which may include local employers, community organizations, the local workforce development board, local and state governments, and Indian tribes or tribal organizations to support recovery, independent living, and participation in the workforce.

Title: Sexual Risk Avoidance Education
Funder: Administration for Children and Families
Award Amount: 40 awards; $450,000 award ceiling
Estimated Application Deadline: Expected post date is March 20, 2020; estimated due date is May 20, 2020
Purpose: The purpose of the SRAE Program is to fund projects to implement sexual risk avoidance education that teach participants how to voluntarily refrain from non-marital sexual activity. The services are targeted to participants that reside in areas with high rates of teen births and/or are at greatest risk of contracting sexually transmitted infections (STIs). The goals of SRAE are to empower participants to make healthy decisions, and provide tools and resources to prevent pregnancy, STIs, and youth engagement in other risky behaviors. Successful applicants are expected to submit program plans that agree to use medically accurate information referenced to peer-reviewed publications by educational, scientific, governmental, or health organizations; implement sexual risk avoidance curricula and/or strategies with an evidence-based approach integrate research findings with practical implementation that aligns with the needs and desired outcomes for the intended audience; and teach the benefits associated with self-regulation, success sequencing for poverty prevention, healthy relationships, goal setting, and resisting sexual coercion, dating violence, and other youth risk behaviors such as underage drinking or illicit drug use without normalizing teen sexual activity.

Eligibility:
Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education
Special district governments
Private institutions of higher education
City or township governments
Native American tribal organizations (other than Federally recognized tribal governments)
Nonprofits that do not have a 501(c)(3) status with the IRS, other than institutions of higher education
Title: Community-wide Approaches for Healthy Children
Funder: Office of the Assistant Secretary for Health
Award Amount: 6 awards; $450,000 award ceiling
Estimated Application Deadline: Expected post date is April 1, 2020; estimated due date is June 3, 2020
Purpose: The Office of Minority Health (OMH) is offering a funding opportunity to assess the effectiveness of interventions targeted community-wide in order to prevent adverse childhood experiences (ACEs) in racial/ethnic minority and disadvantaged populations. Funding will be used to implement and evaluate prevention approaches that expand or improve upon evidence-based interventions or promising research evidence. OMH will fund awards annually for a project period of up to 2 years. A limited competition among grant recipients making satisfactory progress will be considered for a third year of funding. This funding opportunity builds upon lessons learned from other interventions targeted specifically toward individual youth who have experienced trauma and aligns with an enhanced Departmental focus on primary prevention of ACEs. BACKGROUND: ACEs disproportionately impact racial/ethnic minority children and are linked to negative, lasting outcomes for health and wellbeing and higher health care costs. The effects of ACEs include poor physical health, chronic disease, substance use and mental health issues, unemployment and poverty. ACEs are often associated with a wide range of experiences (e.g. food insecurity, housing insecurity, poverty, community violence), and prevention of ACEs requires community-level responses.
Eligibility: All except Individuals, For profit Organizations other than small business and Small Business

Title: Ethnic Community Self Help Program
Funder: Administration for Children and Families
Award Amount: 10 awards; $300,000 award ceiling
Estimated Application Deadline: Expected post date is March 2, 2020; estimated due date is May 1, 2020
Purpose: The goal of this program is to support Ethnic Community-Based Organizations (ECBOs) in providing refugee populations with critical services to assist them in becoming integrated members of American society. Under the ECSH Program, the following three main objectives must be implemented: 1) to strengthen ECBOs’ provision of culturally and linguistically appropriate services to refugees within five years after their initial resettlement; 2) to support ECBOs’ organizational development and engagement in capacity building by
encouraging their collaboration with established refugee service providers and mainstream organizations; and 3) to support ECBOs in promoting community building and civic participation by refugee individuals and refugee community members.

**Title:** Domestic Victims of Human Trafficking Services and Outreach (DVHT-SO) Program

**Funder:** Administration for Children and Families

**Award Amount:** 6 awards; $250,000 award ceiling

**Estimated Application Deadline:** Expected post date is March 28, 2020; estimated due date is May 1, 2020

**Purpose:** The goal of the DVHT-SO Program is to fund organizations that will build, expand, and sustain organizational and local capacity to deliver services to domestic victims of severe forms of human trafficking as defined by the Trafficking Victims Protection Act of 2000 through the provision of direct services, assistance, and referrals. Under the DVHT-SO Program, the following activities are required: 1) outreach efforts to increase identification of victims of sex and labor trafficking; 2) training to service providers and community partners; and 3) provision of comprehensive case management to domestic victims of human trafficking and their immediate family members. The DVHT-SO Program is informed by a whole-family approach that focuses equally and intentionally on services and opportunities for victims and their immediate family members living within their households. OTIP is encouraging the establishment of community partnerships, meaningful engagement of survivors, and the hiring of qualified professionals that reflect the communities being served in all project implementation strategies under the DVHT-SO Program. Under DVHT-SO there is a 12-month project implementation period to facilitate the development of a sustainability plan, onboarding new staff, and developing victim service protocols. Under the DVHT-SO Program, there is a statutorily mandated 25% match (cash or in-kind) requirement.

**Eligibility:**
Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education
Nonprofits that do not have a 501(c)(3) status with the IRS, other than institutions of higher education
