Forecasted Funding Opportunities

Forecasted grants are funding opportunities which are predicted to become available in the near future but have not officially been released by the federal agency. Please review forecasted opportunities to gain an advantage and get a head start in preparing your application. Additionally, please note that timelines for the release of funding opportunities frequently change and the forecasted open date may not be exact. MoCAP may be able to mobilize some services on forecasted opportunities, please email mocap@mffh.org if you are interested in a specific forecasted grant to discuss. New opportunities added this month will be highlighted in blue.

Title: Emergency Triage, Treat, and Transport (ET3) Model
Funder: Department of Health & Human Services - Centers for Medicare & Medicaid Services
Award Amount: 40 awards; estimated total program funding not available
Estimated Application Deadline: Fall 2020 (no update at time of this email)
Purpose: The Emergency Triage, Treat, and Transport (ET3) model (the “model”) is a voluntary, five-year payment model that will provide greater flexibility to ambulance care teams to address emergency health care needs of Medicare Fee-for-Service (FFS) beneficiaries following a 911 Call. ET3 consists of three interventions: the treatment in place and transport interventions described in the Request for Applications, and the triage intervention described in this Notice of Funding Opportunity (NOFO). Together, these interventions make up a comprehensive model for potentially improving the quality of care and lowering costs to Medicare by reducing avoidable transports to hospital emergency departments (EDs) and avoidable inpatient admissions.
