

Want more funding to fix our roads?

Respond to the 2020 Census.
Missouri is counting on us.

The 2020 Census is our chance to make sure the hard-earned tax dollars we send to Washington, D.C. make their way back to Missouri. When we all respond, our community gets more money for:

- Roads and bridges
- Health care centers and hospitals
- Schools

For every adult and every child that is not counted in the Census, our state will lose \$1,300 in federal dollars each year.

**Respond at my2020census.gov,
toll-free at 844-330-2020, or by mail**
