

Want more funding for Missouri schools?

Respond to the 2020 Census.
Our community is counting on us.

The 2020 Census is our chance to make our voices heard. When we all respond, our community gets the money we need to:

-  Support after-school programs and lunches for children
-  Support child care programs like Head Start
-  Fund important programs like the Children's Health Insurance Program and SNAP (also known as food stamps)

For every adult and every child that is not counted in the Census, our state will lose \$1,300 in federal dollars each year.

**Respond at my2020census.gov,
toll-free at 844-330-2020, or by mail**
