

Want our community to get more money for roads, hospitals, and schools?

Respond to the 2020 Census.
Missouri is counting on us.

When we all respond, our community gets the money we need to:

- Fix our roads and bridges
- Fund our health care centers and hospitals
- Support after-school programs and lunches for children

The Census happens once every 10 years. If we aren't all counted in 2020, Missouri will be shortchanged for the next decade. For every adult and every child that is not counted in the Census, our state will lose \$1,300 in federal dollars each year.

Respond at my2020census.gov,
toll-free at 844-330-2020, or by mail

The 2020 Census is our chance to make sure the hard-earned tax dollars we send to Washington, D.C., make their way back to Missouri.

In early March, you will get an invitation to respond in the mail. You will be asked nine simple questions about the people living in your household. You will count every adult and every child living in your home on April 1, 2020.

my2020census.gov

Call **844-330-2020, a toll-free number**, if you would prefer to respond by phone.

Some households will get a paper copy of the Census questions.

This is because they may have limited internet access or older adults living in the home.

Census workers will follow up in person with anyone who has not responded.

The U.S. Census Bureau will keep your information private. The Census will not ask if you are a U.S. citizen. You do not have to be a U.S. citizen to respond.

Respond at my2020census.gov, toll-free at 844-330-2020, or by mail
