This request for applications (RFA) invites organizations in the Missouri Foundation for Health (MFH) region to apply for funds to conduct non-partisan voter registration and get out the vote (GOTV) activities in 2020. This RFA aims to minimize confusion around the voting process and to promote civic engagement in Missouri.

**Background**

MFH is committed to engaging the voices of Missourians to build and support healthy and thriving communities. Increased health equity and improvement in health outcomes depends on community inclusivity and voice, and it is critical that communities are engaged as part of the democratic process, especially those populations with the worst health outcomes and greatest barriers to accessing care. Missouri saw record high voter turnout in 2018, but there are still sizeable gaps in participation and access to participation for many populations across the state. Communities of color and low-income individuals have been historically excluded from equitable access to voting in Missouri. To ensure that representation and policies equitably reflect and benefit all Missourians, it’s imperative access to voting and voter information is improved for historically underrepresented populations.

The goals of this RFA are to support coordinated efforts that:

- Assist Missouri voters with checking their registration and/or registering to vote;
- Mobilize voters who are new to the democratic process, low-propensity voters, historically underrepresented, and impacted by health disparities;
- Conduct GOTV activities in the weeks and days leading into the 2020 election;
- Create and operate voter protection efforts; and/or
- Organize and mobilize communities to learn how to navigate the voting process and vote.

**Eligibility Requirements**

Applicants must be nonprofit or governmental entities and meet the general MFH funding guidelines available on the Foundation’s website. Organizations with experience in voter registration, voter engagement and education, and/or GOTV efforts are especially encouraged to apply.

Applicants may apply with a fiscal agent or sponsor.
A fiscal agent is a non-profit organization that is in good standing with the state of Missouri and performs various administrative management and oversight functions for another agency or 501(c)(3) organization.

A fiscal sponsor is a non-profit organization that is in good standing with the state of Missouri and performs various administrative management and oversight functions for a group that is not registered as a 501(c)(3) organization.

If funded, the applicant organization and fiscal agent/sponsor will be responsible for all terms and conditions of the Grant Award Agreement for the duration of the grant.

Applications must be received by Monday, April 6, 2020, at midnight (Central Time). Please plan accordingly and submit your application well before the deadline, as MFH cannot accept late applications.
