

**More
Missourians
can now get
Medicaid.**

Even if you didn't qualify before, check again. Your health is worth it.

The rules have changed. Now, more people can get low-cost or free health insurance through MO HealthNet. This includes many Missourians who have not qualified before.

For example, a single adult making up to \$1,563 a month or a family of 4 making up to \$3,192 a month may qualify. Apply today to get the care you need—from doctor visits to dental care, and more.
