

Life doesn't wait— stay connected to Medicaid.

Update your contact info to stay informed about changes and new requirements.

New Medicaid rules and reporting requirements are coming. If your address, phone number, or email is out of date, you could miss an important message and risk losing your coverage. And remember, you have 10 days to report household changes, so don't wait!

Update your info by clicking "Report a Change" at **myDSS.mo.gov**
